Rural Bank Equipment Finance - Notice

This document does not contain all of the terms of the *asset purchase contract*. The rest of the *asset purchase contract* terms are set out in the *schedule* signed by you.

By signing the *schedule* you offer to enter into a *contract*.

A *contract* comes into effect when we accept your offer to enter into this *asset purchase contract*. The *schedule* sets out how we accept your offer.

You should read these *standard terms and conditions* and the *schedule* carefully. You should keep these documents for your reference.

Before we accept your offer we may require you to provide to us:

- 1 any payments under the *contract* which are payable on the *commencement date*;
- 2 the original invoice issued by the supplier or seller of the *goods*;
- 3 a written acknowledgment that the *goods* have been delivered to you or that you will arrange delivery of the *goods*;
- 4 evidence that the *goods* have been insured as required by clause 9 of these *standard terms and conditions*;
- 5 a waiver in accordance with clause 5.5 of these *standard terms and conditions* from all persons having any *interest* in the *premises* that they will not acquire any interest in the *goods*;
- 6 copies of any maintenance contracts that we may require you to enter into in respect of the *goods*;
- 7 evidence that no event has occurred that would, or with the lapsing of time would, if the *contract* has been made, constitute a *breach of an essential term*;
- 8 evidence that the *goods* are in good order and condition and have not in any way been lost, damaged, destroyed or seized; and
- 9 any *guarantee* or *security* to be provided in respect of the *contract*.

Standard terms and conditions

The meaning of words printed *like this* and some other key words is explained at the end of these *standard terms and conditions*.

1 Hiring of goods and type of contract

- 1.1 These standard terms and conditions and the *schedule* set out the terms upon which we hire the *goods* to you.
- 1.2 A *contract* that incorporates these standard terms and conditions is an *asset purchase contract* if you sign a *schedule* titled "Asset purchase contract".

2 Term of this contract

- 2.1 This *contract* is for the whole of the *term*.
- 2.2 This *contract* commences on the commencement date.

3 Rent and other payments

- 3.1 You must pay the *deposit* to the supplier or as we may direct.
- 3.2 You must pay the rent by the rental instalments specified in the *schedule* on each rent payment date.
- 3.3 You must pay us our fees as directed by us from time to time.
- 3.4 We may vary our fees at any time by notice to you. Any variation of existing fees (other than a government fee or charge) takes effect from the earlier of the date you receive written notice of the change or the date we publish details of the change by advertisement in a national newspaper.
- 3.5 We must give at least 30 days' notice in writing to you before the introduction of a new fee (other than a government fee or charge) under clause 3.4 takes effect.
- 3.6 We must notify you 30 days' in advance of the introduction or variation of a government charge payable directly or indirectly by you by advertisement in a national newspaper or in writing to you unless the introduction or variation is publicised by a government, government agency or representative body.

4 Delivery of goods

- 4.1 You are responsible (unless otherwise agreed) for:
 - (1) obtaining delivery of the *goods*; and
 - (2) paying all delivery charges.
- 4.2 Any delay in delivery of the *goods* or any damage to the *goods* during delivery does not affect your obligations under this *contract*. You acknowledge that we have not given any warranty as to the anticipated date of delivery of the *goods*.

5 Location and use of goods

- 5.1 The *goods* must be kept in your possession and control at all times and you must not part with possession or lose control of the *goods* without our prior written consent.
- 5.2 Subject to clause 5.3 the *goods* must be kept at the *premises* or such other place as we may approve.
- 5.3 Where the *goods* are mobile they may be used by you within Australia.
- 5.4 The *goods* must not be taken outside of Australia.
- 5.5 You must not affix the *goods* to any property without our prior written consent. Any fixing must be temporary and

only to the extent necessary for the proper use of the *goods*. Before affixing the *goods* to the property you must do everything requested by us (including obtaining waivers by other persons who have any interest (including a *security interest*) in the property to which the *goods* are affixed) to ensure that no other person acquires or retains any interest (including a *security interest*) in the *goods* and that we may obtain access to the *goods*.

5.6 You must notify us if you wish to change the place at which the *goods* are located or, in the case of mobile *goods*, ordinarily garaged.

5.7 You must, following reasonable advance notice by us:

- (1) notify us of the location of the *goods*;
- (2) produce the *goods* to us or allow us to enter the place where the *goods* are kept to:
 - inspect the *goods*;
 - confirm the terms of this *contract* are being complied with; or
 - exercise any rights under this *contract*.

We may give you shorter, or no, notice under this clause 5.7 if it is necessary for us to act quickly to manage an immediate risk.

5.8 You must only use the *goods* in accordance with:

- (1) all applicable laws;
- (2) the supplier's and the manufacturer's specifications, instructions and recommendations;
- (3) any requirements of the insurers of the *goods*; and
- (4) your business operations and the purpose for which you told us that you intended to use the *goods*.

5.9 You must keep the *goods* registered or licensed whenever it is necessary to do so to use or operate the *goods*.

5.10 You assume all risks and liabilities arising from the use and possession of the *goods*.

5.11 You agree that:

- (1) you will comply with all OHS laws in relation to the *goods*;
- (2) the *goods* are and will during the *term* of this *contract* be and remain under your control and are not and will not be under our control;
- (3) you will indemnify and keep us indemnified against any liability we may incur or any claim that may be made against us in respect of any breach or alleged breach of any OHS law except to the extent that liability arises due to our fraud, wilful misconduct or negligence or that of our employees or agents; and
- (4) the obligations under this clause are in addition to your other obligations under this *contract*.

6 Ownership of the goods

6.1 The *goods* remain our property. You are a bailee and have no title or interest in the *goods*.

6.2 You must not create any *encumbrance* over the *goods*.

6.3 You must not do anything which could prejudice or jeopardise our rights in respect of the *goods*.

6.4 You must not sell, lease, hire, transfer or otherwise dispose of your rights in respect of the *goods* or attempt to do so without our prior written consent.

6.5 Any replacement or repair or addition to the *goods* forms part of the *goods* and becomes our property. You must ensure any replacement part or addition is not subject to a *security interest*.

6.6 If you want us to acquire software in conjunction with the *goods* then you must:

- (1) inform us of this when asking us to hire the *goods* to you; and
- (2) set out the price of the software separately.

6.7 If we agree to your request to acquire software in conjunction with the *goods* then:

- (1) we will acquire the software as your agent or in such capacity or on such terms as we otherwise reasonably determine are necessary;
- (2) rental instalments will be calculated as if the cost of the software forms part of the cost of the *goods*;
- (3) the definition of *goods* is deemed to include the software or the interest in the software which we acquire;
- (4) you will be responsible for obtaining any necessary approvals to entitle you to use the software;
- (5) you will be responsible for ensuring compliance with all licences or the conditions of use relating to the software;
- (6) our *security interest* in the *goods* will be taken to extend to and include a *security interest* in the software.

6.8 If you lease or hire *goods* to other persons in accordance with clause 6.4 (because you obtain our prior written consent), you must:

- (1) ensure that any lease or hiring arrangement with other persons is not a PPS Lease (as defined in the PPSA) or if it is you must perfect and continuously maintain perfection of any *security interest* that forms part of the *goods* (including perfecting a purchase money security interest);
- (2) have the terms on which you lease or hire the *goods* approved by us before you enter into the lease or hiring arrangement;
- (3) require the other person to acknowledge our *security interest* in the *goods* and that its interest in the *goods* is subject to or subordinate to our *security interest*; and
- (4) give us possession of any chattel paper (as defined in the PPSA) relating to a lease or hiring arrangement or ensure any such chattel paper is marked in such a way that no other person could take possession of it without acquiring actual or constructive knowledge of our *security interest*.

7 Repair and maintenance of goods

7.1 You must at all times keep the *goods* properly serviced, in proper working order and condition and in good and substantial repair.

7.2 You must maintain and service the *goods* in accordance with the supplier's and the manufacturer's specifications and any requirements of any insurers.

7.3 You must not without *our* consent make any replacement, alteration or addition of any nature to the *goods* which may lead to a reduction in the value of the *goods*.

7.4 You must provide *us* with a written statement disclosing all defects in the *goods* whenever reasonably requested and whether or not this *contract* has expired or *terminated*.

7.5 All repairs to and maintenance of the *goods* must be carried out by suitably qualified personnel at *your* expense.

8 Loss or damage to the goods

8.1 You bear the risk of loss or damage to the *goods*, except where any loss or damage is caused by *our* fraud, negligence or wilful misconduct or that of *our* employees or agents.

8.2 You must notify *us* immediately if the *goods* are totally or substantially lost, damaged or seized.

8.3 If any part of the *goods* is lost, materially damaged or seized, then we may, at *our* option, *terminate* this *contract* in relation to those *goods*. If that occurs then:

- (1) you must pay *us* the *balance due* in regard to that part or parts within the 30 days of *us* notifying you of *our* decision to terminate the *contract*; and
- (2) we will give you credit if and when we receive any insurance or other moneys received in relation to that loss, damage or seizure.

We may (acting reasonably) determine the *balance due* in regard to that part by reference to the portion of the value, utility or other relevant measure of the *goods* which are lost, damaged or seized. If you request *us* to do so, we will inform you in writing of the basis of this calculation. *Our* calculations will be conclusive unless they are proved to be incorrect.

8.4 If the *goods* are damaged but we do not *terminate* this *contract*, then:

- (1) you must ensure that the *goods* are restored at *your* expense to good working order and condition;
- (2) replacement goods form part of the *goods* under this *contract*; and
- (3) any proceeds of insurance required by *us* must be applied towards repair or replacement of the *goods*.

8.5 Where this *contract terminates* in respect of only part of the *goods*, the *contract* will continue in respect of the remainder of the *goods* at a revised *rent* (including the final *rental instalment*), as calculated by *us* (acting reasonably) and advised to you having regard to the proportion of the *value*, utility or other relevant measure of the *goods* which has not been so damaged, destroyed or seized. If you request *us* to do so, we will inform you in writing of the basis of this calculation. *Our* calculations will be conclusive unless they are proved to be incorrect.

9 Insurance

9.1 You must effect and maintain at all times during the *Term*, or any holding over, insurance of the *goods* for their full replacement value.

9.2 Insurances must:

- (1) be on terms approved by *us*;
- (2) be with an insurer approved by *us*;
- (3) note *our* interest as owners of the *goods*; and
- (4) be for such risks as we may specify for the purposes of protecting the full replacement value of the *goods*.

9.3 You must pay all insurance premiums and other charges in relation to the insurance.

9.4 When requested by *us*, you must provide to *us*:

- (1) satisfactory evidence that the insurances referred to in this clause have been effected;
- (2) satisfactory evidence that all premiums in respect of such insurance are paid up and current; and
- (3) all such other information in relation to the insurance as we may require.

9.5 You must not:

- (1) do or permit to occur anything which may prejudice any insurance or any claim under that insurance; or
- (2) enforce, conduct, settle or compromise any claim under any insurance without *our* consent.

9.6 You must immediately notify *us* of any event which may lead to a claim under any insurances. You must comply with all *our* reasonable directions in respect of any such claim.

9.7 We are entitled to receive all moneys payable to you or to *us* under any insurance in respect of damage to or loss of the *goods* except where that damage or loss arises due to *our* fraud, negligence or wilful misconduct or that of *our* employees or agents.

10 Representations and warranties

10.1 You represent and warrant to *us* that:

- (1) you have full power and authority and have done all things necessary to permit you to enter into this *contract*;
- (2) the signing or performing of *your* obligations under this *contract* will not cause you to be in breach of any other arrangements that you may have and do not require any consent or approval from any other person;
- (3) all documentation provided by you to *us*, including any copy or facsimile of invoices issued to *us* by the supplier or seller of the *goods* are true and correct copies;
- (4) no *breach of an essential term* or event which with the giving of *notice* or lapse of time or both would be a *breach of an essential term* has occurred or having occurred subsists; and
- (5) all of the financial information provided by you to *us* provides a true and fair view of *your* financial position and no material adverse change has occurred since the time of preparation of that financial information.

10.2 You warrant to *us* that the representations in this clause are true and correct at the *commencement date* and will remain so during the *term*.

11 Exclusion of warranties

11.1 You acknowledge that, to the full extent permitted by law we do not and nor does any person acting with *our* authority, give any warranty or representation whatsoever in *your* favour:

- (1) as to the condition or quality of the *goods*;
- (2) as to whether the *goods* have any defects whether latent or otherwise;
- (3) as to the suitability or fitness for the ordinary or any special purpose of the *goods*;
- (4) as to whether the *goods* correspond with any description of them; and
- (5) as to the taxation treatment of the *goods*, the *rent* or any other matters relating to the *contract*.

11.2 If you exercise the option to purchase the *goods* contained in this *contract*, then on its sale to you consequent upon the exercise of that option we do not make any representations or warranties with respect to the merchantability, condition, quality, durability or suitability of the *goods* in any respect.

11.3 Any provision which is deemed to be incorporated into this *contract* is excluded, restricted or modified to the fullest extent permitted by law.

11.4 Your obligations under this *contract* continue despite any defect in the *goods* or the breakdown (whether completely or partially) of the *goods*.

11.5 We are not liable to you for any loss or damage caused directly or indirectly by the *goods*, by any inadequacy of the *goods* or any defect in the *goods* or from the use or condition of the *goods* except to the extent that loss or damage arises due to *our* fraud, negligence or wilful misconduct or that of *our* employees or agents.

11.6 Nothing in this *contract* is extended to exclude, restrict or modify any of *our* statutory obligations that cannot be lawfully excluded, restricted or modified.

12 Return of goods

12.1 You must at your own cost return the *goods* on the *termination* or *expiration* of this *contract* to the place specified by us. However this clause 12 does not apply if you have exercised the option to purchase the *goods* in clause 13.

12.2 The *goods* when returned must be in good working order and repair (fair wear and tear excepted) and in accordance with the terms of this *contract*.

12.3 You must sign any documents and do anything we reasonably require to properly return the *goods* to us including:

- (1) returning all operating manuals and documents; and
- (2) transferring to us all licences, approvals, consents, authorisations and certificates of registration relating to the *goods*.

13 Option to purchase

13.1 You have an option at any time during the *term* or at *expiration* of this *contract* to purchase the *goods*.

13.2 The option to purchase the *goods* may be exercised by you:

- (1) during the *term* by giving a *notice* to us and paying to us the *balance due*; or
- (2) on *expiration* by paying to us the final *rental instalment*.

13.3 If you exercise your option to purchase the *goods* during the *term*, you must pay in addition to the *balance due*, the *early termination fee* set out in the Details as well as any *break costs*.

Break costs are our reasonable estimate of the loss we may incur as a result of the early repayment. We include in our calculation any difference between the interest rate included in each *rental instalment* for this *contract* on the date the *contract* started and the interest rate that would apply on the date of exercise of the option to purchase, calculated by reference to the *balance due*.

The *early termination fee* is an amount to compensate us for administrative expenses arising out of the exercise of your right to purchase during the *term* under this clause 13 and is a fixed amount set out in the Details.

13.4 Upon you complying fully with the provisions of clause 13.2 and 13.3, we will sell the *goods* to you. On such sale, this *contract* terminates and title to the *goods* passes to you.

13.5 The option to purchase under this clause:

- (1) may not be exercised without *our* consent where a *breach of an essential term* subsists; and
- (2) ceases upon *termination* of this *contract*.

14 Termination and repossession

14.1 If you do not, or cannot, correct the *breach of an essential term* within the applicable remedy period given in the notice or required by law or code (or if you are in *breach of an essential term* again for a similar reason at the end of any applicable remedy period given in the notice or required by law or code), then at the end of that period we will immediately repossess the *goods* and give you notice that we have done so.

14.2 If a *breach of an essential term* occurs and this is not remedied within the applicable remedy period we are relieved from any further liability to perform any of *our* obligations under this *contract*. We may without prejudice to *our* other rights:

- (1) treat this *contract* as repudiated;
- (2) accept such repudiation; and
- (3) by notice terminate this *contract* and your right to possession of the *goods*.

This right may be exercised notwithstanding any delay or previous waiver by us.

14.3 If we *terminate* this *contract* under this clause, then:

- (1) we are entitled to immediately repossess the *goods*; and
- (2) we may enter upon any place where the *goods* are or where we suspect the *goods* are for the purpose of such repossession.

14.4 Unless this is a *small business contract* or a *contract* to which the *banking code of practice* applies, if we determine that circumstances are such that giving *notice of termination* is impractical or would materially adversely affect *our* rights (including *our* right to possess the *goods*)

we may *terminate* this contract and your right to possession of the goods without the need for any *notice*.

14.5 If this is a *small business contract* but not a *banking code contract*, we will only take action under this clause if the *breach of an essential term* creates a material risk that you may not pay any *amount owing* when it is due, or we may be unable to enforce *our* rights against any *security*, and provided we have given you 30 days to remedy the *breach of an essential term* (unless we reasonably consider a shorter remedy period, or no remedy period, is required for us to manage an immediate risk).

14.6 If you are an "individual" or a "small business" as defined in the *banking code of practice*:

(1) we will not enforce our rights under this clause 14 if you have met all your payment obligations under this contract, unless:

- a default under paragraphs (f), (g), (h), (i) and (l) under the definition "*breach of an essential term*" has occurred;
- it is by its nature material or we reasonably consider that the default has had, or is likely to have, a material impact on:
 - your or the *guarantor's* ability to meet your or their obligations to us under this contract (or our ability to assess this);
 - our security risk (or our ability to assess this); and
 - our legal or reputational risk (but only if default under paragraph (f) of the definition '*breach of an essential term*' has occurred); and
- we have given you at least 30 days to remedy the default, unless we consider a shorter notice period, or no notice period, to be reasonable in circumstances where:
 - we reasonably determine that the default is unable to be remedied;
 - based on our reasonable opinion, it is reasonable for us to act to manage an a material and immediate risk relating to the nature of the relevant *breach of an essential term*, your particular circumstances, or the value of any real property or other property or assets secured by a *security*; or
 - we have already given you a reasonable period of time to remedy the default but you did not fix it during this time.

14.7 Nothing in this clause affects our obligation to give any *notice* that we are required at law to give.

14.8 You should inform us promptly if you are in financial difficulty.

15 Termination prior to expiry of the term

15.1 If this contract is *terminated* prior to the expiry of the term by you or by us you must in addition to other amounts payable under this contract pay on demand the *balance due*, the *early termination fee* set out in the Details as well as any *break costs*.

Break costs are our reasonable estimate of the loss we may incur as a result of the early

repayment. We include in our calculation any difference between the interest rate included in each *rental instalment* for this contract on the date the contract started and the interest rate that would apply on the date on which the repayment is made, calculated by reference to the *balance due*.

The *early termination fee* is an amount to compensate us for administrative expenses arising out of the termination prior to the expiry of the term and is a fixed amount set out in the Details.

15.2 If we have obtained possession of the goods then the *balance due* is reduced by the *value of the goods*. If the *value of the goods* exceeds the *balance due* then subject to our rights under clause 28 such surplus must be paid to you.

15.3 Payments under clause 15.1 are to indemnify us for losses sustained in respect of *rental instalments* not then accrued due.

16 Overdue interest and costs

16.1 You must pay us on demand any costs incurred by us arising out of any default by you under this contract or arising out of us enforcing our rights under this contract including our rights upon *expiration* or *termination* of this contract.

16.2 If you fail to pay any money payable under this contract when due (or on any judgment in respect of which those moneys become merged) then you must pay interest at the *higher rate* on that amount.

16.3 *Interest* at the *higher rate* is calculated from the date such moneys become payable until the date of actual payment and is payable on demand.

16.4 If you are a *farmer* and we have hired the goods to you for the purposes of a *farming operation*, we will not charge interest at the *higher rate* during any period that the land you use for the *farming operation* is in drought or subject to another natural disaster. We will refund any interest charged at the *higher rate*, or late payment fees charged by us, during the period the relevant land was in drought or subject to another natural disaster. We will consider land to be in drought or subject to another natural disaster when an Australian State or Territory government makes a declaration to that effect, or (if no such declaration is made) when we are satisfied on other grounds that the relevant land is in drought or subject to another natural disaster.

17 Remedy of breaches by you

17.1 If you breach any of your obligations under this contract we may, after allowing for any applicable remedy period, take such steps as we reasonably consider necessary to remedy such breach.

17.2 You acknowledge that if we take any action under clause 17.1, we may do anything you should have done under this contract which you have not done, or which we reasonably consider you have not done properly.

17.3 Any costs incurred by us in exercising our rights under clause 17.1 incur *interest* at the *higher rate* from the date of payment by us until the date of repayment by you. Such money is payable on demand.

18 Duties and taxes

18.1 You must pay all stamp duty and other duty or taxes and any fees which in any way relate to this contract, any

supply made under this *contract* or any transaction contemplated by this *contract* or the registration of this *contract* or any *security interest* related to it.

18.2 Unless GST is expressly included, a payment under this *contract* for any supply made under or in connection with this *contract* does not include GST. To the extent that any supply made under or in connection with this *contract* is a taxable supply, the GST excluded consideration otherwise payable or provided for that supply is increased by an amount equal to that consideration multiplied by the rate at which GST is imposed in respect of such supply and subject to receipt of any tax invoice if required, is payable at the same time.

18.3 If payment to a party under this *contract* is a payment by way of reimbursement or indemnity and is calculated by reference to the GST inclusive amount of such loss, cost or expense incurred by that party, then payment is to be reduced by the amount of any input tax credit to which that party is entitled in respect of that loss, cost or expense before any adjustment is made for GST pursuant to clause 18.2.

18.4 Payments under this clause must be made at the time that the act or supply giving rise to such liability occurs.

19 Tax indemnity

19.1 You acknowledge that the *rent* and other moneys payable in connection with this *contract* have been calculated on the basis:

- (1) that we will be entitled to claim a deduction for depreciation in respect of the *goods* under any laws relating to income tax; and
- (2) of the rates of duty and tax applicable at the date of this *contract*.

19.2 If *our* liability for income tax is increased or is payable earlier because deductions at the depreciation rates which we have relied upon for calculation of the *rent* are not for any reason allowed in full at the times when they would normally have been allowed, or if the rate of any duty or tax in connection with this *contract* (other than income tax on *our* net taxable income) is increased, then you must pay to us an amount which will result in the after tax yield to us being the same as it would have been but for such increase or acceleration in liability. We will give you 30 days' notice of any such increase or acceleration in liability. You may, on reviewing any notice of increase or acceleration in liability under this clause 19.2, opt to terminate this *contract* by paying us all amounts payable in accordance with clause 15.1 and returning the *goods* to us in accordance with clause 12 (unless you exercise your option to purchase the *goods*, in which case clause 13 applies.)

19.3 Indemnities in this clause continue in full force and effect notwithstanding any *termination* or expiry of this *contract*.

20 Application of moneys

We will apply all moneys received by us in respect of this *contract*:

- (1) Firstly, in payment of *our* costs;
- (2) secondly, in payment of any other expenses in relation to the *goods* that we are empowered under this *contract* to appropriate and think fit to pay; and

- (3) thirdly, towards payment of the amounts due to us under this *contract*.

21 Power of attorney

In consideration of us entering into this *contract* you irrevocably appoint us and each *authorised officer* severally as your attorney. If there is a *breach of an essential term* which you have not been able to remedy within the applicable remedy period, we may do anything you are obliged to do or which we are empowered or authorised to do under this *contract*.

22 Trustee

22.1 The provisions of this clause apply if you or any *guarantor* enter into this *contract* (including the *guarantee* contained in this *contract*) as the *trustee* of a *trust*.

22.2 Each *trustee* enters into this *contract* both in its personal capacity and its capacity as *trustee* of the *trust*.

22.3 Each *trustee* warrants to us that:

- (1) it is the sole *trustee* of the *trust*;
- (2) no action has been taken to remove or replace it as *trustee*;
- (3) the *trustee* has full power under the *trust* deed to enter into this *contract* and to perform its obligations under this *contract*;
- (4) all necessary actions have been taken to authorise the entering into and performance of this *contract*;
- (5) this *contract* is entered into as part of the due and proper administration of the *trust* and is for the benefit of the beneficiaries;
- (6) the *trustee* has the right to be fully indemnified out of the *trust* fund and no action has been taken to restrict the limit of that right;
- (7) the *trust* has not terminated nor has any event for the vesting of the *trust* assets occurred; and

22.5 Except as provided for in clause 22.6, the *trustee* may only distribute, transfer or set aside any part of the income or the capital of the *trust* if the *trust* fund has sufficient financial capacity to indemnify the *trustee* under clause 22.3(6) above following the distribution, transfer or setting aside of the income or capital.

22.6 Until the first to occur of:

- (1) written *notice* from us; or
- (2) the occurrence of a *breach of an essential term*,

the *trustee* may distribute the income but not the capital of the *trust* in accordance with the *trust* deed.

23.1 If the provision of any legislation relating to farmers, farm business or operations or farming equipment or machinery (applicable legislation) applies to this *contract* and:

- (1) we are required to give any *notice* in addition to that provided for in this *contract* or provide *notice* for a longer period than provided for in this *contract*;
- (2) the maximum amount we may recover from *you* is subject to any limitation or retention; or
- (3) any of *our* rights against *you* are subject to any restriction or limitation,

then:

- (4) we must give *you* the *notice* which complies with the applicable legislation;
- (5) the maximum amount we can recover from *you* is the lesser of the amount specified in the applicable legislation and the amount provided for in this *contract*; and
- (6) we must exercise *our* rights under this *contract* subject to *your* rights under the applicable legislation.

23.2 *You* must disclose to *us* (if *you* have not already done so) if:

- (1) *you* are or become a farmer within the meaning of the applicable legislation;
- (2) the *goods* are or are intended to be used in connection with a farming business or operation within the meaning of the applicable legislation; or
- (3) the *goods* are or become farm equipment or farm machinery within the meaning of the applicable legislation.

24 Commission

24.1 *You* acknowledge that where *you* have been introduced to *us* by a *broker*:

- (1) the *broker* has not acted as *our* agent to negotiate and enter into this *contract*;
- (2) the *broker* is not authorised to make any representations or warranties to *you* on *our* behalf regarding this *contract* or impose any obligations on *us*;
- (3) we may pay commissions or fees or remuneration to that *broker*; and
- (4) in calculating the *rent* payable by *you* under this *contract*, payments to the *broker* may be taken into consideration.

25 General

25.1 Acceptance of any payment by *us* after we have become aware of any default under this *contract* or any *breach* of an *essential term* is without prejudice to the exercise by *us* of *our* powers under this *contract*. Acceptance does not operate as an election by *us* either to exercise or not exercise any of *our* rights or powers under this *contract*.

25.2 *You* and any *guarantor* must give *us* information or documents we ask for about:

- (1) *your* or all of the *guarantors'* financial positions; and

(2) the *goods*,

when we reasonably require to manage *our* risk under this *contract*.

25.3 *You* must not assign or otherwise transfer or deal with *your* rights and interests under this *contract* to any person.

25.4 We may at any time assign *our* rights and interest under this *contract* including the *guarantee* and *you* consent to *us* novating *our* obligations under this *contract* to any person at any time. We may also grant a *security interest* over the *goods* or *our* rights under this *contract*. If we do this, *you* may not claim against any assignee (or any other person who has an interest in this *contract*) any right of set-off or other rights *you* have against *us*.

25.5 If any provision of this *contract* is or at any time becomes void or unenforceable the remaining provisions will remain in full force and effect. Any void or unenforceable provision will be replaced or if not replaced then read down by a lawful and enforceable provision which so far as possible achieves the same economic benefit or burden for *us* and *you* as the unlawful or unenforceable provision was intended to achieve. All *your* obligations under this *contract* survive the *expiration* or *termination* of the *contract* to the extent required for their full observance and performance.

25.6 If any law requires *you* or any *guarantor* to make any deduction or withholding from any payment in respect of this *contract* or the *guarantee* then:

- (1) *you* or any *guarantor* must pay to *us* such additional payments as are necessary to ensure that after the withholding or deduction we receive the sum equal to the sum we would have recovered if no deduction or withholding had been made; and
- (2) *you* and any *guarantor* indemnify *us* against any failure by *you* or any *guarantor* to make such deduction or withholding.

25.7 Time is of the essence in respect of *your* obligations under this *contract*.

25.8 No failure or delay on *our* part to exercise any rights or powers under this *contract* will operate as a waiver of that right or power. We may only waive *our* rights under this *contract* in writing signed by an *authorised officer*.

25.9 *You* must at *your* expense do any further act and execute any further documents which we may reasonably request to protect *our* title to the *goods* and *our* rights and remedies under this *contract*.

25.10 *You* and each *guarantor* authorise *us* to:

- (1) fill in any blanks in this *contract* and any document signed in connection with this *contract*; and
- (2) make any amendments to any of this *contract* and any document signed in connection with this *contract* to accurately reflect or give effect to the *terms* of this *contract* which have been agreed with *us*.

25.11 We will give *you* a copy of this *contract* promptly following any amendments we make.

26.2 *You* irrevocably submit to the non-exclusive jurisdiction of the courts of the *state*.

27 Security

- (1) Where it is agreed that *your* obligations under this *contract* are to be secured by any *security* then moneys secured by that *security* include all moneys owing under this *contract* or in consequence of the *termination* of this *contract*.
- (2) Where it is agreed that the obligations of any *guarantor* in relation to this *contract* are to be secured by any *security* then moneys secured by that *security* include all moneys owing under the *guarantee*.

28 Set-off and combination of accounts

- 28.1 Except to the extent you have a right of set off granted by law which cannot be excluded by agreement (such as consumer credit legislation), you agree to pay us the amount owing in full without set-off, counterclaim or deduction in respect of taxes unless prohibited by law. However, we may at any time at *our* discretion apply and set-off any amounts due for payment by *us* to *you* or to any *guarantor* for any reason against any amounts owing or which may become owing by *you* to *us* on any account including but not limited to this *contract*.
- 28.2 We will promptly inform *you* if we exercise *our* rights of set-off contained in this clause or if we combine any accounts.
- 28.3 *You* must not set off an amount that *you* owe to *us* against any amount that *we* owe *you*.

29 Evidence
