no material adverse change has occurred since the time of preparation of that financial information.

11 EXCLUSION OF WARRANTIES

11.1 *You* acknowledge that, to the full extent permitted by law *we* do not and nor does any person acting with *our* authority, give any warranty or representation whatsoever in *your* favour:

- (a) as to the condition or quality of the *goods*;

- (c) as to the suitability or fitness for the ordinary or any special purpose of the *goods*;
- (d) as to whether the *goods* correspond with any description of them;
- (e) as to the taxation treatment of the *goods*, the *rent* or any other matters relating to the *contract*.

11.2 If this *contract* is an *asset purchase contract* and *you* exercise the option to purchase the *goods* contained in this *contract*, then on its sale to *you* consequent upon the exercise of that option *we* do not make any representations or warranties with respect to the merchantability, condition, quality, durability or suitability of the *goods* in any respect.

11.3 Any provision which is deemed to be incorporated into this *contract* is excluded, restricted or modified to the fullest extent permitted by law.

11.4 *Your* obligations under this *contract* continue despite any defect in the *goods* or the breakdown (whether completely or partially) of the *goods*.

11.6 Nothing in this *contract* is extended to exclude, restrict or modify any of *our* statutory obligations that cannot be lawfully excluded, restricted or modified.

11.7 Should *we* be liable for a breach of a condition or warranty implied by law which cannot be excluded then *our* liability for such breach (including consequential loss which *you* may sustain) is to the fullest extent permitted by law limited to:

- (a) the replacement or re-supply of the *goods*; or
- (b) the payment of the cost of replacing the *goods* or acquiring other similar *goods*.

12 RETURN OF GOODS

12.1 You must at your own cost return the goods on the termination or expiration of this contract to the place specified by us. If this contract is an asset purchase contract then the obligations under this clause 12 do not apply if you have exercised the option to purchase the goods in clause 13.

12.2 The goods when returned must be in good working order and repair (fair wear and tear excepted) and in accordance with the terms of this contract.

12.3 You must sign any documents and do anything we require to properly return the goods to us including:

- (a) returning all operating manuals and documents; and
- (b) transferring to us all licences, approvals, consents, authorisations and certificates of registration relating to the goods.

13 OPTION TO PURCHASE

13.1 The provisions of this clause only apply if this contract is an asset purchase contract.

13.2 You have an option at any time during the term or at expiration of this contract to purchase the goods.

13.3 The option to purchase the goods may be exercised by you:

- (a) during the term by giving notice to us and paying to us the balance due; or
- (b) on expiration by paying to us the final rental instalment.

13.4 Upon you complying fully with the provisions of clause 13.3, we will sell the goods to you. On such sale, this contract terminates and title to the goods passes to you.

13.5 The option to purchase under this clause:

- (a) may not be exercised without our consent where a breach of an essential term subsists; and
- (b) ceases upon termination of this contract.

14 TERMINATION AND REPOSSESSION

14.1 If a breach of an essential term occurs we may without prejudice to our other rights:

- (a) treat this contract as repudiated;
- (b) accept such repudiation; and
- (c) by notice terminate this contract and your right to possession of the goods.

This right may be exercised notwithstanding any delay or previous waiver by us.

14.2 If a breach of an essential term occurs we are relieved from any further liability to perform any of our obligations under this contract.

14.3 If we terminate this contract under this clause, then:

- (a) we are entitled to immediately repossess the goods; and
- (b) we may enter upon any place where the goods are or where we suspect the goods are for the purpose of such repossession.

14.4 If we determine that circumstances are such that giving notice of termination is impractical or would adversely affect

our rights (including our right to possess the goods) we may terminate this contract and your right to possession of the goods without the need for any notice.

14.5 Nothing in this clause affects our obligation to give any notice that we are required at law to give.

15 RESIDUAL VALUE

15.1 This clause 15 only applies if this contract is a finance lease contract.

15.2 If upon termination or expiration of this contract you return the goods to us, then you must pay to us on demand the amount of money by which the residual value exceeds the value of the goods. If the value of the goods exceeds the residual value you have no claim or interest in such surplus.

15.3 If upon expiration or termination of this contract you fail to return the goods to us, then you must pay to us on demand by way of liquidated damages the residual value of the goods. If we subsequently obtain possession of the goods, then we will apply the sum representing the value of the goods in reduction or satisfaction of your indebtedness under this contract, (or in repayment of any payment made by you under this contract) but you have no interest or claim in any surplus.

15.4 If this contract is terminated prior to the expiry of the term then the residual value for the purpose of this clause is the present value at the date of termination of the amount specified in the schedule as the residual value.

15.5 Any payment by you under this clause is in addition to other amounts payable under this contract and is to indemnify us against loss we may suffer.

16 TERMINATION PRIOR TO EXPIRY OF THE TERM

16.1 If this contract is terminated by us you must in addition to other amounts payable under this contract pay on demand as liquidated damages the balance due.

16.2 If this contract is an asset purchase contract and we have obtained possession of the goods then the balance due is reduced by the value of the goods. If the value of the goods exceeds the balance due then subject to our rights under clause 29 such surplus must be paid to you.

16.3 Amounts payable under clause 16.1 are, for any finance lease contract, in addition to any amounts payable under clause 15.

16.4 Payments under clause 16.1 are to indemnify us for losses sustained in respect of rental instalments not then accrued due.

17 OVERDUE INTEREST AND COSTS

17.1 You must pay us on demand any costs incurred by us arising out of any default by you under this contract or arising out of our enforcing our rights under this contract including our rights upon expiration or termination of this contract.

17.2 If you fail to pay any money payable under this contract when due (or on any judgment in respect of which those moneys become merged) then you must pay interest at the higher rate on that amount.

Standard terms and conditions cont.

17.3 Interest at the *higher rate* is calculated from the date such moneys become payable until the date of actual payment and is payable on demand.

18 REMEDY OF BREACHES BY YOU

18.1 If *you* breach any of *your* obligations under this *contract* we may at *our* discretion (but without having any obligation to do so) take such steps as *we* consider necessary to remedy such breach.

18.2 *You* acknowledge that *we* may do anything *you* should have done under this *contract* which *you* have not done, or which *we* consider *you* have not done properly.

18.3 Any *costs* incurred by *us* in exercising *our* rights under clause 18.1 incur interest at the *higher rate* from the date of payment by *us* until the date of repayment by *you*. Such money is payable on demand.

19 DUTIES AND TAXES

19.1 *You* must pay all stamp duty and other duty or taxes and any fees which in any way relate to this *contract*, any supply made under this *contract* or any transaction contemplated by this *contract* or the registration of this *contract* or any *security interest* related to it.

19.2 Unless *GST* is expressly included, a payment under this *contract* for any supply made under or in connection with this *contract* does not include *GST*. To the extent that any supply made under or in connection with this *contract* is a taxable supply, the *GST* excluded consideration otherwise payable or provided for that supply is increased by an amount equal to that consideration multiplied by the rate at which *GST* is imposed in respect of such supply and subject to receipt of any tax invoice if required, is payable at the same time.

19.3 If payment to a party under this *contract* is a payment by way of reimbursement or indemnity and is calculated by reference to the *GST* inclusive amount of such loss, cost or expense incurred by that party, then payment is to be reduced by the amount of any input tax credit to which that party is entitled in respect of that loss, cost or expense before any adjustment is made for *GST* pursuant to clause 19.2.

19.4 Payments under this clause must be made at the time that the act or supply giving rise to such liability occurs.

20 TAX INDEMNITY

20.1 *You* acknowledge that the *rent* and other moneys payable in connection with this *contract* have been calculated on the basis:

- (a) that *we* will be entitled to claim a deduction for depreciation in respect of the *goods* under any laws relating to income tax; and
- (b) of the rates of duty and tax applicable at the date of this *contract*.

20.2 If *our* liability for income tax is increased or is payable earlier because deductions at the depreciation rates which *we* have relied upon for calculation of the *rent* are not for any reason allowed in full at the times when they would normally have been allowed, (or in the case of a *finance lease contract*

the *residual value* is not approved by the relevant authorities) or if the rate of any duty or tax in connection with this *contract* (other than income tax on *our* net taxable income) is increased, then *you* must pay to *us* on demand an amount which will result in the after tax yield to *us* being the same as it would have been but for such increase or acceleration in liability.

20.3 Indemnities in this clause continue in full force and effect notwithstanding any *termination* or expiry of this *contract*.

21 APPLICATION OF MONEYS

21.1 *We* will apply all moneys received by *us* in respect of this *contract* in the following order:

- (a) firstly, in payment of *our costs*;
- (b) secondly, in payment of any other expenses in relation to the *goods* that *we* are empowered under this *contract* to appropriate and think fit to pay; and
- (c) thirdly, towards payment of the amounts due to *us* under this *contract*.

22 POWER OF ATTORNEY
