1. Target market for this product

Target Market

The retail clients for whom this product has been designed are individuals carrying on a primary production business who:

- are or may become eligible for the taxation benefits under the Farm Management Deposits scheme;
- have \$5,000 or more to deposit into the account for the specified term (being 3, 6, 12 or 24 months) at a fixed interest rate; and
- generally do not require access to their deposited funds before the end of the specified term and, if early withdrawal is required, can provide at least 31 days' notice and appreciate that other consequences might follow e.g. relating to tax benefits and the applicable interest rate.

Product Description

A Rural Bank Farm Management Deposit Account is a deposit product that enables eligible individuals to obtain certain benefits under the Federal Farm Management Deposits Scheme administered by the Department of Agriculture, Water and Environment (Scheme). These benefits (including tax benefits) are only available if Scheme conditions are met, including eligibility conditions, minimum and maximum deposit amounts, no withdrawals for a minimum period of 12 months (unless an exemption applies), and so on. In addition to the Scheme conditions, Rural Bank's conditions include (for this product only, i.e. the Fixed Rate product):

- a minimum deposit of \$5,000 for a specified term (3, 6, 12 or 24 months);
- interest calculated at an agreed rate, payable at maturity or periodically as agreed;
- to withdraw funds before end of term, at least 31 days' notice is required. If withdrawn, a different interest rate may apply. If the minimum period for holding the deposit has not been met, there may not be any tax benefit under the Scheme.
